## DETAILED ACTION

### ***Claim Rejections - 35 USC § 102***

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 1 – 3 are rejected under 35 U.S.C. 102(b) as being anticipated by QuincyNet.

Regarding claim 1, QuincyNet teaches system and method for creating a community Web site [page 4]. QuincyNet teaches:

creating a prototype Web site having general content and local content [page 2 – 24]; and

providing a licensed Web site to a community [page 4], the licensed Web site sharing the general content with the prototype Web site [page 18] and having local content that is specific to the community [page 24].

Regarding claim 2, QuincyNet teaches information for the preparation and maintenance of Web sites for local businesses is provided with the licensed Web site [page 13 – 14].

Art Unit: 3629

Regarding claim 3, QuincyNet teaches prototype Web site includes a comprehensive index which arranges every subject covered in the site alphabetically [page 5].

***Claim Rejections - 35 USC § 103***

The following is a quotation of 35 U.S.C. 103(a) which forms the basis for all obviousness rejections set forth in this Office action:

(a) A patent may not be obtained though the invention is not identically disclosed or described as set forth in section 102 of this title, if the differences between the subject matter sought to be patented and the prior art are such that the subject matter as a whole would have been obvious at the time the invention was made to a person having ordinary skill in the art to which said subject matter pertains. Patentability shall not be negated by the manner in which the invention was made.

Claims 4 – 5 are rejected under 35 U.S.C. 103(a) as being unpatentable over QuincyNet in view of Verizon Communications hereinafter known as Verizon.

Regarding claim 4, QuincyNet does not teaches prototype Web site includes a city directory which lists every address in the community along with the name of the occupant and the occupant's telephone number. However, QuincyNet teaches name of occupant and occupant's telephone number for businesses in a community [page 10]. Verizon teaches system and method for city directory which lists every address in the community along with the name of the occupant and the occupant's telephone number

Art Unit: 3629

(Verizon allows customer to select telephone numbers of occupants nationwide [page 4], and also, Official notice it taken that it would have been obvious to one of ordinary skill in the art at the time the invention was made that Verizon provided list of which lists every address in the community along with the name of the occupant and the occupant's telephone number aka Verizon White pages and Verizon Yellow pages where were made available for Verizon customers).

Regarding claim 5, QuincyNet in view of Verizon teaches licensed Web site is hosted by the creator of the prototype Web site [QuincyNet page 13 – 14].
